2012 Pool Billing

As a reminder to all swim only members, pool invoicing will begin in February 2012. For your convenience, you will be billed for your pool dues in 3 equal increments, in February, March, and April. Should you prefer being billed only once for your total 2012 pool charges in April, rather than in the installments, please contact our billing office.

New rates for the upcoming season are as follows:

Family Swim Dues \$595; Couple Swim Dues \$430; Single Swim Dues \$320

You may notice some construction going on in our pool area. In an effort to continually maintain our facilities and keep them in top notch condition, we are renovating the infrastructure to keep our pools running as efficiently as possible. The pool will be ready for cooling off on the those warm summer days that will be here before we know it!
